SEC. ____ SENSE OF THE SENATE REGARDING IMPACTS OF THE BALANCED BUDGET ACT OF 1997.

(a) FINDINGS.—The Senate makes the following findings:

(1) Since its passage in 1997, the Balanced Budget Act of 1997 has drastically cut payments under the medicare program under title XVIII of the Social Security Act in the areas of hospital, home health, and skilled nursing care, among others. While Congress intended to cut approximately \$100,000,000,000 from the medicare program over 5 years, recent estimates put the actual cut at over \$200,000,000,000.

(2) A recent study on home health care found that nearly 70 percent of hospital discharge planners surveyed reported a greater difficulty obtaining home health services for medicare beneficiaries as a result of the Balanced Budget Act of 1997.

(3) According to the Medicare Payment Advisory Commission, rural hospitals were disproportionately affected by the Balanced Budget Act of 1997, dropping the inpatient margins of such hospitals over 4 percentage points in 1998.

(b) SENSE OF SENATE.—It is the sense of the Senate that Congress and the President should act expeditiously to alleviate the adverse impacts of the Balanced Budget Act of 1997 on beneficiaries under the medicare program under title XVIII of the Social Security Act and health care providers participating in such program.
